

**2. Group Turnover Specification** (please tick the applicable box)

Does your undertaking belong to a group of undertakings (within the meaning of Section 24b of Book 2 of the Dutch Civil Code\*), within which other companies provide public electronic communications activities in the Netherlands, too?

\* ACM advises you to direct any further questions to your accountant.

- Yes (Proceed with this field)
- No (Proceed to field 3 or 4)

If your answer is yes, you are obliged to submit a group turnover specification. Please indicate below which situation is applicable to your undertaking:

The undertaking mentioned in field 1 will submit the group turnover specification for the group of undertakings. Please enter below the names and registration numbers of the undertakings to which the turnover specification pertains:

- 1).....
- 2).....
- 3).....
- 4).....
- 5).....

In this situation, you are also required to include the following details:

- a. A statement from your Auditor confirming that your undertaking, together with the aforementioned undertakings, belongs to a group of undertakings within the meaning of Section 24b of Book 2 of the Dutch Civil Code.
- b. Proof that the person signing the form is authorized to do so. For example, you could submit a copy of the registration with the Dutch Chamber of Commerce, containing the authorization to sign. This copy must be certified and must be less than one year old.

The undertaking named in field 1, as a constituent of a group of undertakings, does not submit a separate turnover specification of its own. The net turnover (relevant or otherwise) for 2017 of said undertaking is included in the turnover specification of:

.....  
(name of party submitting the group turnover specification)

**If you have entered all of the required information, please proceed to field 3 or 4.**

**ATTENTION:** Based on the amount of your relevant net turnover\*, you will have to fill out either field 3 or field 4. In each field, you will see what details you need to include with your turnover specification. Please fill out the applicable fields.

\* See enclosure 2 for more information about the term 'relevant' 'net turnover'.

**3. If your relevant net turnover is equal to or exceeds EUR 12 million, please complete the field below:**

€

\* See enclosure 2 for more information about the term 'relevant' 'net turnover'.

Please write out the amount in words: .....  
.....

You are required to include additional details regarding your turnover. Two situations are possible:

1. Is your relevant net turnover equal to your total net turnover?

If so, please include a copy of your annual accounts stating the amount of your net turnover, supported by the Auditor's report thereof.

2. Is your relevant net turnover lower than your total net turnover?

If so, please include a detailed specification of your relevant net turnover, in which it has been made clear, and supported with reasons, which services and thereto-related turnover are considered not to be relevant. In addition, you are required to state the amount of your total net turnover. The detailed turnover specification must be supported by an Auditor's report. Furthermore, you are required to include a copy of the annual accounts.

**If you have entered all of the required information, please proceed to field 5.**

**4. If your relevant net turnover is less than EUR 12 million, please complete the field below:**
