<sup>1</sup> The Allocation Rules for Forward Capacity Allocation shall apply to the allocation of Long Term Transmission Rights on the GB-IE and GB-NI bidding zone borders with a Product Period beginning on or after the go-live date of the Integrated Single Electricity Market (I-SEM) on the island of Ireland subject to the rules in the SEM-GB Border Specific Annex. In the event that the National Regulatory Authorities in Ireland, Northern Ireland and Great Britain introduce Financial Transmission Right Obligations on these bidding zone borders there will be a requirement to develop appropriate harmonised Allocation Rules for Financial Transmission Right Obligations. Those rules would be subject to consultation prior to coming into force.
