Dear Sir/Madam,

The Commission of the Independent Post and Telecommunications Authority of the Netherlands (referred to throughout as the Commission) regulates the electronic communications sector. The Commission charges you a fee for its regulatory work every year. In order to determine the amount of this fee the Commission requires details of your turnover.

The amount of the fee for 2013 is based on your relevant net turnover achieved in 2011. You are required to use the *Turnover Details Form* (Enclosure 1) to list your turnover details. The Commission asks you to ensure that your statement complies with the formal and material requirements set out in *Notes on Submitting a Turnover Statement* (Enclosure 2).

What will happen if you fail to respond (or to do so on time)?

The Commission looks forward to receiving a response from you by no later than 1 February 2013. In the absence of a response, the Commission will adopt measures for the purposes of enforcement, including the imposition of an enforcement order.
